**Dying Right North Carolina Mission Statement:**

Dying Right North Carolina is a Not For Profit advocacy organization seeking the expansion of legally available End of Life choices including enactment of Death with Dignity legislation. We believe terminally ill and incurably suffering individuals have the right to determine their end of life decisions through palliative care, counselling, hospice or Medical Aid in Dying. We seek to ensure that North Carolina joins the growing number of states which have enacted legislation that honors a person's life by allowing it to end with dignity and without suffering, in the manner the person chooses.
